25X1 1. [] Talked with Representative Charles E. Chamberlain, member of the full House Armed Services Committee, who, following the Director's briefing of that Committee, had indicated a desire to accompany any group of freshmen congressmen who might visit the Agency. (Chamberlain is a fourth term Congressman and has a sincere desire to visit the Agency.) We will make arrangements for the visit and be in touch with him again at that time.

25X1 6. [] Received a call from Miss Taft, Assistant to Congressman Ashbrook, inquiring as to the proper source of information for a constituent concerning the extent of government translation of Soviet technical documents and publications. It was suggested that the best source of information for response to this particular inquiry would be the Library of Congress.

25X1 7. [] Mr. Steve Robbins, Assistant to Congressman MacDonald, called requesting advice concerning summer employment of graduate students. I advised that the proper agency for general information on this subject would be the Civil Service Commission.
